

SPPEXA Annual Plenary Meeting 2014

- Agenda -

Tuesday, April 01 2014

14:00 – 18:00 Gender Training

Wednesday, April 02 2014

08:55 Welcome Addresses

09:00 Project Presentations (12min each)

- A fast and fault tolerant microkernel-based system for exascale computing
- GROMEX – Unified Long-range Electrostatics and Dynamic Protonation for Realistic Biomolecular Simulations on the Exascale
- EXA-DUNE
- ESSEX
- ExaStencils

10:30 Coffee Break (Coffee will be provided)

11:00 General Information

12:00 Lunch Break (Lunch will be provided)

13:00 Invited Talk: Teaching Computers To Write Fast Mathematical Code
Markus Püschel, ETH Zürich

14:00 Project Presentations (12min each)

- TERRA-NEO
- CATWALK
- EXAMAG
- EXASTEEL

15:15 Coffee Break (Coffee will be provided)

15:40 Project Presentations (12 min each)

- EXAHD
- ExaFSA
- DASH
- EXASOLVERS

16:55 Closing Remarks

17:00 End
